EMPLOYMENT HISTORY

Freelance Content Creator

The Social Smiths (2019 - Present)

The Social Smiths is a progressive and diverse digital agency that works with artists, small businesses, BIAs, and non-profit organizations to create a fun and informative social media experience for their followers.

Duties include:

- Drafting original social media posts daily
- Drafting regular blog posts
- Working with the client to create a consistent tone throughout various social media platforms
- Compiling press mentions and news articles for social posts
- Editing raw video files for TikTok posts

Freelance Copywriter

Anya Wilson Promotions (2008 - Present)

Anya Wilson Promotions is an award-winning publicity firm with some of North America's most renowned chart-topping country music artists among their clients.

Duties include:

- Drafting biographies for websites and concert programs
- Drafting press releases for local, national, and international publications, television news, and radio stations
- Drafting summaries of songs and albums for distribution to the press
- Compiling press mentions and news articles for client reports
- Arranging interviews with the press while the artist is on tour

Freelance Copywriter

Self-Employed (2006 - Present)

Working with artists, influencers, and small businesses to draft and tailor copy to their needs.

Duties include:

- Drafting biographies for websites, concert programs, and grant proposals
- Drafting clear and concise copy for web site development
- Drafting press releases for local, national, and international press
- Working with some of the nation's top digital agencies to create a cohesive tone with both words and images

EMPLOYMENT HISTORY

Freelance Culture Writer & Personality

Self-Employed (2011 - Present)

Drafting contributions of various lengths that primarily cover the drinks business. Subjects range from drink suggestions, pairings, and the social and industrial growth of the sector to more socially-focused topics like public representation of marginalized communities and issues faced by BIPOC, women, and LGBTQIA+ people within the industry.

Additional awareness is spread through social media platforms along with appearances on television, radio, podcasts, live events, and print as a global expert.

Publications Contributed To Include:

Quench Magazine, The Crowler, October, Canadian Business Magazine, NOW Magazine, Torontoist (bi-weekly column, 2014-2017), Metroland Media (syndicated monthly column, 2015-present), and my personal award-winning blog The Thirsty Wench.
